ALASKA EXPLORER Daily Itinerary & Activities

Notes: Unless identified as optional, all mentioned activities are *included*. Specific hikes and lodges may vary.

This **flexible** tour itinerary may operate in either direction, and is (rarely) subject to change. BLD (below) indicates included meals.

DAY 1: FROM ANCHORAGE TO DENALI NATIONAL PARK

We'll meet in the morning at our Anchorage departure hotel/s (see our *Tour Pre-Departure Packet* for location/s and time/s), introduce ourselves, and after a brief overview of the tour, head north into the Alaskan Interior. First stop: Denali State Park for a 3 to 4-hour alpine hike (with Mt. Denali views), before proceeding on to world-famous Denali National Park for a three-night stay. L

DAY 2: DENALI NATIONAL PARK

A fun day as we can hike for 3-4 hours this morning and then enjoy an exhilarating whitewater rafting trip this afternoon. A "flight-seeing" trip over the park to Denali / Mt. McKinley (wow!), and/or a tour of the park's dogsled kennels are fun, optional activities. BL

DAY 3: DENALI NATIONAL PARK

Today you'll travel through the vast, access-controlled wilderness area of the park on the park shuttle bus, with exceptional wildlife viewing and hiking opportunities. This fantastic sub-arctic wilderness teems with wildlife, including grizzly bears, wolves, caribou, Dall sheep, moose and more. Denali is also the home of the continent's highest peak, 20,320' Mt. Denali: "The Great One." BL

DAY 4: THE DENALI "HIGHWAY" TO THE MACLAREN RIVER, IN THE EASTERN ALASKA RANGE

Today we head east along the even more remote Denali Highway, paralleling the scenic southern side of the mighty Alaska Range. This unlikely gravel "highway" passes through some of the wildest, most remote, road-accessible country on Earth. A beautiful short hike at the pass/divide is next, with tremendous 360-degree views of the mountains, rivers, and glacial lakes that are all about. We'll then check-in to our rustic and friendly, riverside lodge for the evening. BL

DAY 5: WILDERNESS CANOE PADDLE AND ON TO WRANGELL-ST. ELIAS NP / KENNICOTT

It's time to go canoeing! We will be transported upstream to the put-in in our lodge's air boat, an adventure in itself. We'll float downstream (calm waters), on the lookout for wildlife. Afterward, we'll continue on to an airstrip next to the mighty Copper River, where small planes will meet us for a scenic flight across the volcanic and glacier-clad Wrangell Mountains into Wrangell-St. Elias NP, the largest park in the USA. Our destination? The Copper & Gold Rush boomtowns of McCarthy/Kennicott (pop. ~100), a National Historic Landmark site, and everyone's favorite Alaska ghost towns! We'll spend three nights here at the spectacular Kennicott Glacier Lodge, overlooking the mighty Kennicott Glacier! 16,390' Mt. Blackburn looms up the glacier, and other huge peaks are all about. Four major mountain ranges, 9 of the 16 tallest peaks in the USA, and the largest non-polar ice field on Earth converge in this little-known and seldom-visited gem of a national park. BLD

DAY 6: WRANGELL-ST. ELIAS NATIONAL PARK / KENNICOTT

Today we will venture out onto the ice with crampons and local mountaineering guide to explore the blue crevasses, moulins, and the rest of the fascinating glacial geography. The more adventurous can challenge themselves with an optional introductory ice-climbing course on the glacier (+ ~\$60). Optional flight-seeing, and/or Kennecott Mine tours are also available, as are various ranger-led activities. BLD

DAY 7: WRANGELL-ST. ELIAS NATIONAL PARK / KENNICOTT

Today we can hike up to the abandoned Bonanza Mine for incredible mountain and glacier views! This vigorous hike is the consensus favorite, year after year. Less strenuously, you can either hike along the lateral moraine of the Root Glacier, along the old Wagon Road, or out to the toe of the huge Kennicott Glacier, where you can witness it actually moving (very slowly!), depositing the boulders and debris it has carved and carried from the mountains into the terminal lake it has formed (headwaters of the Kennicott River). Or take a day off to simply relax and soak up the mountain village ambiance. You won't want to leave Kennicott/McCarthy! BLD

DAY 8: WORTHINGTON GLACIER & VALDEZ

Driving out of Wrangell-St. Elias National Park we'll cross yet another tremendous range: the heavily glaciated Chugach Mountains. At alpine Thompson Pass we can hike either to the toe, or up the lateral moraine of Worthington Glacier, to a dramatic view of the ice field that feeds this impressive and very blue "river" of ice. Dropping down out of the mountains to the picturesquely set town of Valdez, we'll get our first taste of magnificent coastal Alaska. The young and geologically very active Chugach range rises up literally out of the sea, ringing super-scenic Prince William Sound (PWS). Glaciers are all about, some of them spilling their loads of ice directly into the sea. BL

DAY 9: VALDEZ & PRINCE WILLIAM SOUND

Today we'll paddle sea kayaks in a calm and beautiful, glacier-carved PWS bay! After gearing up, a lesson, and a scenic water taxi ride to protected Columbia Bay, we'll paddle through a sea of icebergs up toward the face of this spectacular tidewater glacier (this is an upgraded version of the previously inc. kayak trip). Alternatively, enjoy a half-day marine wildlife and glacier-viewing cruise. BL

DAY 10: PRINCE WILLIAM SOUND FERRY CROSSING (OR OVERFLIGHT) BACK TO ANCHORAGE

This morning we'll board the Alaska state ferry for a beautiful crossing of pristine Prince William Sound, on the lookout for whales, bald eagles, and wildlife. Following a short hike (time permitting), we'll drive back to Anchorage. Depending on the ferry schedule, a scenic flight over the glacier-clad Sound from Valdez to Anchorage may be substituted. If neither are available on the scheduled day (rare but possible), we'll drive back to Anchorage and you'll be refunded \$75 pp. Either way, the trip ends in Anchorage by ~5 p.m. L (Or if you've combined this tour with our 2+day *Kenai Fjords Hike & Cruise (or Fish!)* tour, you'll carry on to Seward post-ferry).
