CLIENT COMMENTS

"I want to tell you how great my trip was. The guide did an awesome job.... We laughed a lot! Everything was well organized and the food was excellent.... The schedule was just perfect: active and relaxing at the same time. I really liked the daily hikes and all the time we had in the evenings to hang out.... The stay at the resort the last two days was a good idea to end the trip. I came (home) refreshed, relaxed and really happy. Thanks!" --Elise Maguire

GET UP & GO!

The beautiful Kenai Peninsula, projecting into the Gulf of Alaska between Prince William Sound and Cook Inlet, is Alaska in microcosm. Featuring dramatic mountains and glaciers, rugged, fjordal coastline, lush spruce and hemlock forests, tens of thousands of lakes, bountiful bird and wildlife, and superb hiking and adventure activities, the Kenai is truly an outdoor lover's paradise!

It's only natural then that our six-day *Kenai Explorer* tour is so enticing, highlighted by extended visits to dramatic **Kenai Fjords National Park**, to a remote, rustic resort in wildlife-rich **Resurrection Bay**, as well as to exhilarating Six Mile Creek, in the **Chugach National Forest**, near Hope.

INCLUDED TOUR HIGHLIGHTS

- ♦ **Hiking, sea kayaking & white water rafting** on the spectacular **Kenai Peninsula**, including three nights at **Kenai Fjords National Park**, and two nights in a cozy bunkhouse at a remote, rustic lodge on **Resurrection Bay**. We also hike in the **Chugach National Forest** and visit the charmingly Alaskan seaside towns of **Seward** and **Hope**
- ♦ Excellent **wildlife viewing** opportunities throughout the tour
- ♦ **R/T Water Taxi** across Resurrection Bay
- ♦ **Quality Leadership: A professional GG!** guide leads you throughout the tour
- ♦ **Great Food!** Fresh, homemade, multi-course meals and desserts

A six-hour **glacier, whale and wildlife-viewing cruise** through the stunning fjordlands of **Kenai Fjords National Park** is a highly recommended, optional highlight. Deep-sea salmon and halibut **fishing charters**, and **dogsled mushing** on a helicopter-accessed glacier, are optionally available activities.

You'll be glad you chose the *Kenai Explorer*, a beautiful tour with exhilarating multi-sport adventure activities, hiking, and glacier and wildlife-viewing opportunities, in one of Alaska's most diverse and attractive regions!

GET UP & GO!

Dramatic scenery and wildlife are not the tour's only attractions, however, as *Kenai Explorer* also includes fantastic day hiking and multi-sport activities. Multi-sport highlights include a wild and scenic **sea kayaking** day trip in beautiful Resurrection Bay. Bald eagles are common, and lolling sea otters, whales, bears and other mammals and sea birds are also frequently sighted. An exciting **Class IV whitewater rafting** trip is another unforgettable and included tour highlight (or you can add a bigger **Class V** river segment for a ~\$55 fee).

The **hiking** throughout this tour is especially good, with hikes alongside glaciers, through old growth rain forests, up to alpine tundra, and along beautiful beaches all part of the scheduled itinerary.

INCLUDED MULTI-SPORT ACTIVITIES NO EXPERIENCE NECESSARY!

- ♦ **Whitewater Rafting** on the Class IV Six-Mile Creek (or try Class V!)
- ♦ **Sea Kayaking** on the wildlife-rich waters of Resurrection Bay
- ♦ **Hiking:** A variety of exceptional 2-6 hour scenic day hikes over mixed terrain (moderate to strenuous)

KENAI EXPLORER Daily Itinerary & Activities

Notes: Unless identified as optional all mentioned activities are **included**. Specific hikes, days that activities take place on, and campground may vary. This **flexible** tour itinerary may operate in either direction, and is subject to change.

DAY 1: FROM ANCHORAGE TO SEWARD & KENAI FJORDS NATIONAL PARK

We'll meet in the morning at our Anchorage departure hotel/s (see our *Alaska Tour Pre-Departure Packet* for locations and times), introduce ourselves, and after a brief overview of the tour, head south to the beautiful Kenai Peninsula. On the way we'll parallel scenic Turnagain Arm. This mountain-lined and glacier-carved fjord, the ultimate extension of the Cook Inlet, Gulf of Alaska, and Pacific Ocean, was named by an obviously frustrated Captain James Cook during his 1778 search for the legendary Northwest Passage. We quickly arrive in **Seward**, gateway to **Kenai Fjords National Park**, for a three-night stay. A beautiful hike through the old growth **Chugach National Forest** to a salmon stream and a beautiful, remote beach kicks off the tour's activities. Camping LD

DAY 2: SEWARD & KENAI FJORDS NATIONAL PARK

One of our favorite hikes anywhere is today's highlight: Up we'll go alongside the very blue Exit Glacier to an overlook of the 800-square mile Harding Ice Field, focal point of **Kenai Fjords National Park**, and the source of its many glaciers. Moose, bears, mountain goats, porcupines, and marmots are all commonly seen on this hike, and the glacier and ice field are dramatically beautiful; this inspirational hike will stay with you long after you've left Alaska! Camping. BLD

DAY 3: SEWARD & KENAI FJORDS NATIONAL PARK

This morning you can choose between an **optional 6-hour whale and wildlife-viewing cruise** to an **active tidewater glacier** in stunning **Kenai Fjords National Park**; a hike; free time in the charming town of Seward; or a variety of other optional activities. The day cruise is highly recommended: whales, porpoises, sea lions, sea otters, seals, bald eagles, puffins and an interesting variety of other sea birds are all commonly seen, and the close-up view of the calving tidewater glacier is truly spectacular. Salmon or halibut fishing charters, a visit to the Alaska Sea Life Center, and even a dogsled mushing trip on a helicopter-accessed glacier are all also optionally available (see "Optional Activities" below). Camping. BLD

DAY 4: A BOAT TRIP ACROSS RESURRECTION BAY TO OUR PRIVATE, RUSTIC LODGE

This morning we'll take a water taxi to our **private, rustic resort** on the remote eastern shore of beautiful **Resurrection Bay**. The beautiful old growth forest wilderness fronts the rugged beach, with the main lodge perched just above the shore. A fantastic private retreat just for our group! There's a great hike on a private trail out the back door, as well as a wood-fired sauna. Bunkhouse. BLD

DAY 5: RESURRECTION BAY SEA KAYAKING

A full day for sea kayaking and exploring in the fjordal bay, through the narrows, to coves, and to a beautiful island with spectacular beaches, forests and lagoons. Marine wildlife and seabirds are abundant, and there is no better way to view it than from the seat of a stable sea kayak! You're not going to want to leave our remote sanctuary in beautiful Resurrection Bay! Bunkhouse. BLD

DAY 6: TO SIX MILE CREEK & BACK TO ANCHORAGE

This morning we'll water taxi back to Seward, and then carry on to the small gold rush community of **Hope**, where we'll cap the tour off with an exciting Class IV whitewater rafting trip through two canyons of famous **Six-Mile Creek**. For a supplemental payment of ~\$55 you can upgrade to a three-canyon Class V trip, some of the most exhilarating whitewater available anywhere! If the rafting doesn't sound like your thing you can instead enjoy a beautiful hike, and/or explore the charming and scenic seaside town and beach. Afterwards we'll make the short drive back to Anchorage, where the tour ends between 7 and 8:30 pm. Please do not schedule return flights that depart prior to 10 pm. BL

"I took the Kenai multi-sport trip with you and LOVED it! Really the best tour I've ever taken. Your guides were the best! Thank you so much for introducing me to Alaska. I am hooked.... It was the most beautiful place I've ever been. All the best," **Laura Romanoff**, Chicago
